

ILS KEYNOTE

Anne-Marie McAllister will bring an inspiring message.

HONOURING THE PAST

What an exciting time to continue your journey of partnering for possibilities and moving toward a vision focused on full life living. Let's celebrate the work of this board and leadership. Continuing your client centred focus, this message will allow you to reflect on the future of ILS with excellence, collaboration and respect at the core.

MOVING FORWARD

*In this facilitated session, you will be guided to explore the concepts of **Courage ~ Community ~ Commitment**. We will explore the life giving energy to be found where these concepts intersect. The future of ILS is filled with possibilities and potential and your leadership is critical as you help chart the path for the next phase of this amazing organization.*

YOUR SPEAKER

Anne-Marie brings her passion to support organizations to envision their best possible future. As a registered nurse and educator, she brings 20 years of experience supporting leaders to unlock their potential and thrive. You may remember Anne-Marie from the work she did crafting your strategic plan.
